

# JARUWAN SUNGSUWAN

COMPUTER SCIENCE (CS RMUTT)

## Internship Goal

My goal is to improve my basic development skills and learn how software projects are built in a real working environment. I am eager to gain practical experience and contribute to simple tasks while learning from the team.

## Experience

### Near RMUTT - Dormitory Finder Website

Web Development | PHP, MySQL, HTML, CSS, JavaScript

- Developed a simple website for students to search and compare dormitories near RMUTT.
- Created basic room-detail pages and filtering features to help users find suitable options.

### Social Circle - Group Scheduling Assistant

UI/UX Prototype | Figma

- Designed a prototype that helps groups find matching available times without manual checking.
- Created main UI screens including schedule input, availability view, and suggested meeting times.

### Data Mining-Based Planning and Analysis System for Agricultural Academics (Ongoing Project)

- Developing a data mining-based system for planning and academic analysis in agriculture.

## Certification

- Cisco Linux Unhatched
- Microsoft Certification Enhance Teaching and Learning with Microsoft Copilot
- RMUTT Digital Literacy Certificate Computer and information Technology Skills

## Education

### Rajamangala University of Technology Thanyaburi (RMUTT)

Faculty of Science and Technology  
Bachelor of Science in Computer Science  
2023 – Present  
GPA : 2.68

### Bangplama "Soongsumarnpadungwit"

Science-Math Program  
Graduated 2022  
GPA : 3.65

## About Me

My name is Jaruwan Sungsuwan (Myu). I am a Computer Science student who is still building my skills, but I'm motivated to learn, responsible, and ready to gain real experience in software and web development.
